

DARRAN®

Effective December 1, 2021

Products will incur an 8% surcharge due to the impact of raw material and freight inflation.

A separate line item noted surcharge will appear on all acknowledgments and invoices. The surcharge will be calculated as 8% of the net subtotal of the order.

We understand the difficulties of managing surcharges and intend to replace this surcharge with a price increase targeted for January 15, 2022.
