Seating fabric & leather program

DARRAN has partnered with some of the most prestigious fabric suppliers of the office furniture industry to bring you quality fabrics that are engaging designs, environmentally friendly and durable for years to come. If you do not see the fabric you wish to include in a project, please contact Customer Service at 800.334.7891 to see if this pattern can be graded in

For current information about graded-in fabrics and leather, please visit our Resources page at [www.darran.com/resources/textiles-leather/](http://www.darran.com/resources/textiles-leather/)

CAL 117-2013

All DARRAN seating products conform to California Technical Bulletin 117-2013 as a minimum standard.

ASTM E1537

Testing for ASTM E1537 is available for all DARRAN seating products If ASTM E1537 testing is required, please contact DARRAN customer service at 800.334.7891 for testing fees and considerations.

Combination fabrics

DARRAN is pleased to offer customers the design freedom of combination fabrics. When using fabric, vinyl or leather combinations, pricing will be as follows:

- When combining two materials of the same grade, pricing will be specified grade + 5%.
- If combining two materials of different grades or leather/ fabric combination, use the highest grade/price + 5%.
- If using COM or COL, pricing will be COM or COL + 5%. If both COM + COL are used in combination, use COL + 5%

COM/COL ordering instructions

Please complete the COM Submission Form prior to ordering the fabric from the supplier. All COM fabrics must be approved prior to order submission. Please refer to our website or contact DARRAN Seating Customer Service for an updated list of preapproved COM fabrics. Application instructions must be specified on the purchase order or COM/COL approval form. In the absence of application instructions, DARRAN will apply materials in the best manner and cannot be held responsible for tailoring or application objections after upholstering. COM orders will be scheduled for production after receipt of the material. Packages must be clearly marked and the fabric must be first quality, continuous yardage.

COM/COL yardage requirements

The yardage requirements stated in this price list for each style are calculated using 54” wide, non-directional fabrics. For fabrics with a different width or for patterns with repeats, please refer to the below chart to calculate the additional percent of fabric required:

Fabric Width	Plain Fabric	2”- 14” Repeat	15”- 19”Repeat	20”- 27”Repeat	28”- 36” Repeat
54”	0	15%	20%	25%	30%
53”	6%	19%	24%	28%	36%
52”	13%	23%	28%	33%	38%
51”	19%	26%	31%	36%	41%
50”	25%	30%	35%	40%	45%
49”	30%	35%	40%	45%	50%
48”	35%	40%	45%	50%	55%
47”	45%	50%	55%	58%	65%

NOTE: Prior to completion of this form, please refer to our Graded In Materials Program for pre-approved fabrics/leathers.

Honey Bizz Fabric & Leather Program

ATTACH 6" X 6" FABRIC/LEATHER SAMPLE HERE

NOTE  
Actual Fabric/Leather samples needed instead of digital images. If digital images are sent in lieu of samples, DARRAN will only verify the pattern and will not take responsibility for color variances that cannot be verified due to printing limitations

In the absence of application instructions, DARRAN will apply the material in the best manner and cannot be held responsible for tailoring or application objections after upholstering.

Unless otherwise instructed on the purchase order, excess COM materials will be recycled at the discretion of DARRAN after six months of the original product ship date.

The COM approval solely pertains to the application of the fabric onto the specified DARRAN seating product. DARRAN's approval or acceptance does not constitute any responsibility or warranty to the overall appearance, durability, flammability, defects, dye lot variations, or colorfastness of the COM. It is the customer's responsibility to ensure the COM meets CAL 117-2013 compliance and are first quality continuous goods.

PLATEAU  
Flush-mount in-surface power

○ ● ● Standard White. Special order Black or Gray

Style Number	List Price
 PD-PLAT-3	\$762

Features

- › Shallow profile for tight installations
- › Spill-resistant TR socket as standard
- › Your choice of AC power, replaceable USB-A and USB-C
- › Optional High Power 60W USB charging with TUF I PROTECT
- › 2 gang or 3 gang options

Specifications

Add flush mount power to soft seating and more with PLATEAU. It fits neatly into surfaces 0.7" - 1.26" (18 - 32 mm) proud by just 0.08 (2 mm), integrating seamlessly into your furniture. Available in white (standard), black, or gray, and in two or three gang variants, with standard adjustable side or rear power cord exit. Customize PLATEAU to your specifications with a combination of AC power and TUF-R A+C USB charging (25W or 60W available).

Power and Cord:  
PLATEAU is wired as standard with a 32" 14/3 SJT cord to a male GST connector to be used with OE's pluggable GST system. A starter cord is required for GST option: 72", 108", or 180" 14/3 SJT cord with female connector, NEMA plug, and integral OCP standard. Available by special order wired to a Nema 5-15 cord-n-plug, and in specialty configurations. Also available wired with a GST18i3 female-Y to GST18i3 male connector for 48", 60", and 72" Training Tables. Rotating cable grip means the cable can exit via the rear or the side of PLATEAU without the need for tools.
